OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE.

Dated, Bangalore 26th July 1933.

Offg. *Secretary to the Government of His Highness the Maharaja of Mysore.*
F.i.n.a.n.c.i.a.l *Department.*

SIR,

I have the honor to state that the system of obtaining articles of diet etc., required for the Ayurvedic Hospital attached to the Ayurvedic and Unani College, Mysore, by means of tenders was introduced during last year and the supply was obtained in terms of dietic units and payments made to the contractor on bills prepared on this basis. On an examination of the working of this system, the Vice President reported that it was neither economical nor advantageous from a medical point of view. The procedure was, therefore, discontinued and the system of getting supplies in terms of quantity was brought into force by the Vice President (vide copy of his letter No.288 dated 15-12-32 and a copy of this office reply thereto enclosed). The Comptroller to Government has objected to the change of procedure without previous sanction of Government. As the preactice of obtaining supplies in terms of dietic units had been brought into force by the orders of the Vice President himself and the change introduced was merely a matter of detail, it was left to the discretion of the Vice President to change the system if he thought the altered procedure was advantageous. As the Comptroller wants Government orders for the change of procedure, I request that the approval of Government to the change of procedure

as detailed above may be accorded.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.288 dated 15-12-32 from the Vice President, Ayurvedic & Unani College, Mysore, to the Muzrai Commissioner in Mysore.

I have the honor to state that tenders for the supply of drugs and articles of food required for the Ayurvedic Pharmacy and Hospital for the year 1932-33 were called for by the Superintendent and the tenders of Messrs. Gulam Mohadin and Son, Mandi Chowk, and Settappa Siddappa and Sons, Old Agrahar, for the supply of drugs and articles of diet respectively were accepted.

As regards the tender for the supply of drugs for the Pharmacy payments were arranged to the contractor on the basis of prepared medicines, the cost of individual items being calculated according to the accepted tender rates and the total amount arrived at for each prescription as one Yogam noted against each prepared medicine. A list of such prepared medicines with cost along with copies of Ayurvedic Superintendent's letters Nos.40 dated 9th August 1932 and 52 dated 23rd August 1932 on the subject are enclosed for reference. The details are available in the Ayurvedic Hospital for Local Audit as stated by the Superintendent in his letter No.52 dated 23rd August 1932. This arrangement has been found to be satisfactory and will be allowed to continue.

But, as regards diet articles it had been arranged to obtain the supply in terms of dietic units and bills prepared on this basis were being received for payment. On examination, it was found that this system is neither economical, nor advantageous from a medical point of view.

After correspondence and personal discussion of the subject with the Principal and the Superintendent, it has been considered more advantageous to discontinue the method of supplies by dietic units and take provisions only as per tendered rates the dietic issues being arranged in the hospital itself.

The Superintendent of the Ayurvedic Hospital informs me that he can induce the contractor to accept the change in the method of supplies regarding diet requirements, and I am now requesting you to kindly sanction the change in the procedure of purchasing diet articles as indicated above.

Letter No.533/32-33 dated 11-1-33 from the Muzrai Commissioner in Mysore, to the Vice President, Ayurvedic & Unani College, Mysore.

With reference to your letter No.288 dated 15-12-32 requesting sanction for change of procedure in getting the supply of articles of diet required for the Ayurvedic Hospital, I have the honor to request to be informed why sanction of this office has been sought for. The sanction of this office was not obtained for the present system. If in the interest of the institution, it is thought that the changed procedure is advantageous it may be adopted.
